

Holy Trinity National School December 2020 Update

Christmas Carol Service

*This year our Carol Service will be on-line on Monday
December 21st at 11.30 a.m.*

*We will provide details on how you can watch it closer
to the time.*

Christmas Cheer

*School Christmas celebrations will be very different
this year. Nonetheless, we are busy preparing our
school production of 'Christmas 2020' which will be
shared with all of you at the end of term.*

*We look forward to returning to all the usual fantastic
Holy Trinity Christmas Activities in 2021.*

Road Safety

*A young pupil was knocked down on her way home from
school last Thursday. Fortunately, the child did not sustain
serious injury. I appeal to all drivers to drive with extreme
care through adjoining estates.*

*Parents should take care when parking to avoid blocking
gate-ways. Please allow a little extra time in the morning and
afternoons to drive and park carefully. Parents should not
drive past the Glenbourne-Glencairn junction. This allows
extra space for cyclists and pedestrians to arrive safely at the
school entrance before school and disperse safely in the
afternoons.*

*Residents in the area are continually in contact with the
school office complaining about dangerous parking and illegal
set-down and parking. These complaints have been passed to
An Garda Síochána.*

Dunlaoghaire- Rathdown Co. Council Update

*The Board of Management understands that the Co. Council
will attend to remedial safety works along the footpath and
roadway outside the school after Christmas.*

*A school warden will be assigned to the crossing outside the
school once these works are completed.*

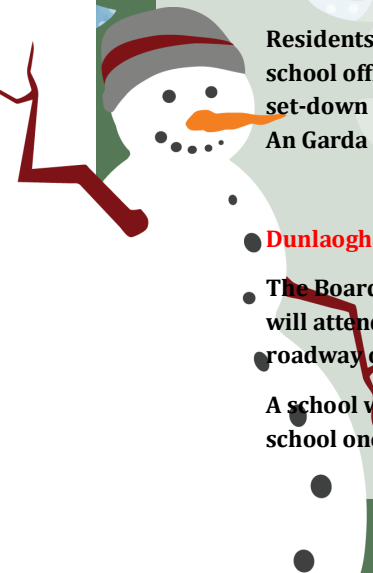

Christmas Gifts

We want to remind all parents that school staff do not accept gifts or presents at Christmas time from parents/ pupils. This is an established practice in the school since our foundation. At the end of the school year, in June, the Parent Association will invite parents to contribute towards a collection of appreciation for all staff. We remain grateful for your appreciation of our efforts in school and we are heartened by the positive feedback received by many -many parents since our return to school in August.

'St Vincent de Paul Food Collection

This year we are unable to have a collection of food items for St Vincent de Paul.

If any parent wishes to make a voucher donation to the Vincent de Paul, envelopes will be available outside the school office from Monday. We will pass on any returned envelopes to the local St Vincent de Paul Conference.
